

THE ROYAL MINT®
THE ORIGINAL MAKER

Take learning to a whole new level at the home of The Original Maker

Discover new possibilities in your curriculum
as we explore over 1,100yrs of creativity, engineering and history.

Where better to inspire your learners than the home of UK currency?

Embark on an award-winning, behind the scenes tour of The Royal Mint.
Get hands-on in an interactive workshop that hits multiple areas of your curriculum.
Address a range of skills and topics to ignite interest, ambition and imagination in every
learner.

Every visit includes a guided tour, exhibition entry plus a workshop

Workshops

Our interactive workshops have a variety of links with age-appropriate curriculum topics.

Time Travel Adventure

Age 4-6

Using drama techniques, explore past locations of the Mint and discover how coins have been made throughout history.
